

CIWMB ASSISTANCE

Assistance:

The CIWMB can provide the following services in assisting local jurisdictions locate markets for disaster debris:

- ◆ List of construction and demolition processors and brokers;
- ◆ List of recycled-content building products;
- ◆ CalMAX listings and catalog;
- ◆ RMDZ referrals; and
- ◆ Listing of national waste exchanges.

Reference lists:

The CIWMB maintains a number of lists that can help jurisdictions find markets for the disaster debris:

Recycling Market Development Zone businesses, locations, materials accepted;
C&D Processors and Brokers;
Recycled-Content Building Products.

RMDZ:

There are 40 Recycling Market Development Zones designated by the CIWMB throughout the State. Each Zone works with local businesses within the Zone's boundaries to use secondary materials in the processing of new products. These businesses may be good markets for the disaster debris. Contact the local Zone Administrator in your area to determine materials businesses can accept and any processing constraints.

A map of the zones and the geographical areas they cover appears as an attachment.

**CalMAX and
CalMEX**

CALMAX , or the California Materials Exchange, is a free waste exchange service provided by the CIWMB. It is designed to help businesses find markets for nonhazardous materials they have traditionally discarded, and may be a way for local jurisdictions to find markets for their disaster materials.

On-line:

CalMAX is also on-line. You can access more than 700 materials listings and place listings via modem 24 hours a day.

To reach CALMAX using your computer, use the following settings: up to 9600 baud, 8 bits, 1 stop bit, and no parity. Then dial (916) 448-0615 and type "calmax" at the prompt.

Place an ad:

Or, you can place a listing with CALMAX by using the Contact/Materials Listing Form available from the CIWMB, c/o Local Government Commission, 1414 K Street, Suite 250, Sacramento, CA 95814, (916) 448-1198, FAX (916) 448-8246.

Listings:

Listings are divided into three main sections:

- ◆ available listings,
- ◆ wanted listings, and
- ◆ regional listings.

Within the three sections, listings are grouped into the 15 material categories below:

Construction Containers Durable goods (furniture, appliances, machinery, etc.) Electronic Paper	Glass Metal Organics Paint/Wax Pallets	Paper Rubber Textile Wood Plastic Miscellaneous
---	--	--

**You work out
the details:**

All arrangements are worked out between the interested parties. Any costs, charges, prices, etc. are negotiable between the parties.

CalMAX staff may also be available to assist in advertising the availability of disaster-related materials and publish listings in the CALMAX catalog.
